

Some introductory matters:

*What do you expect from the class?*

*What is salvation?*

*What does the word mean, according to Scripture?*

*What do you know about it?*

*Is Scripture specific about it?*

*How would you explain it to someone your age?*

*How would you explain it to a child?*

*Can children be saved? If so, at what age?*

*Does God have just one "way" of salvation for mankind today? Are you sure?*

*What about the "lost?"*

*What questions have you had about salvation that have gone unanswered?*

*What words would you like to have explained?*

Your turn: *Try your hand at defining the following terms according to Scripture, but without a Bible dictionary or study help (it's okay to get help after you've given it a decent effort). Be sure to pay attention to the Scripture passages.*

*believe* ([Joh 8:24](#); [Rom 13:11](#); [1Co 14:22](#))

*gospel* ([Rom 1:16](#); [Rev 14:6-7](#); [1Co 15:1-4](#); [Rom 16:25-26](#))

*How about this question: "Does saved always mean the same thing in the Bible?"*

*Just for "practice," write out your experience of conversion*

*Hey, here's some help!*
